tomato harvest has grown into "the best family-event of the year in Central California", and an annual fundraising event for local and regional youth charities.

"The Carmel TomatoFest® is a must-go event," says the San Jose Mercury News. In

fact, food lovers and tomato lovers come from around the nation to join in the festivities. In 2004 TomatoFest guests traveled from 30 states and 5 countries to join in this unique food and wine celebration.
